

My Home Has History! Student Worksheet

Name: _____

Date: _____

Draw a picture of your home.

Make sure to use a lot of colors to show what makes it special.

A large, empty rectangular box with a black border, intended for the student to draw their home.

Ask your parents to help you learn the age of your home. Is your family the first family to live there? If not, do you know who else lived there?

Look at your home from the outside. What do you notice first when you look at your home? Describe the colors and shapes you see.

How has your home changed since it was built? Are there new rooms or walls? Was it painted a new color?

What does the roof of your house look like? Does it look rough or smooth? What do you think it is made from?

How many windows does your home have? _____

Are all the windows the same shape and size? If not, what makes them different?

Take a closer look at one of your windows. Can you count the glass panes? Does the window open with hinges, or does it slide up and down?

**Do the windows in your home have shutters? If so, do they open and close?
Why do you think they move?**

**What does your family do to take care of your home? What sort of repairs have
been done? Why do you think it is important to take care of your home?**
