

# **MYTHS AND UNSOLVED MYSTERIES OF THE TEXAS REVOLUTION**

## **POST-PROGRAM ACTIVITY:**

### **1. Runaway Scrape**

Families fleeing Santa Anna's approaching army during the Runaway Scrape had to pack quickly and make choices about what they wanted to bring. They also hid their prized possessions by burying them in the ground.

What three objects in your home are the most important to you and your family? What would you choose to hide? "Bury" your three objects in the ground, and write a paragraph describing the objects and why they are important to you.
