

TEXAS HISTORY TOP TEN: Mexican Americans

The Bullock Texas State History Museum's website is filled with artifacts, oral histories, highlights from curators, and interesting stories. The Texas History Top Ten tool is perfect if you only have a short amount of time, want a broad overview, or want to find hidden gems about a particular topic. Use this lists to help expand your content knowledge while planning classroom lessons for your students, or send your students on assignment to explore the Top Ten lists on their own.

Mexican Americans

Since before Mexico won independence from Spain in 1821, people of Spanish descent have built communities and culture in what is now Texas. They have been Spanish, Mexican, Texan, and American citizens, and their stories truly encompass the Texas story.

Types of Resources

The Bullock Museum has a diversity of resources and voices to tell the many Stories of Texas. While using the Texas History Top Ten, explore a variety of tools:

Artifacts

Get an up-close look at the artifacts the Museum has displayed, and learn about their importance in Texas history. View the full Artifact Gallery [here](#).

Campfire Stories

Using the mosaic embedded in the Museum's floor, interact with Texans from the past gathered around a campfire to share their stories. Discover the people who shaped Texas. View the mosaic [here](#).

Special Exhibitions and Events

Explore some of the stories and artifacts from the Bullock Museum's past temporary exhibitions and special events focusing on unique aspects of Texas history. View all past special exhibitions [here](#).

Texas History Timeline

Use the interactive timeline tool to mix and match different events and stories to see how they line up in the chronology of Texas history. View the full timeline [here](#).

Texas Story Project

Read oral history stories submitted by diverse Texans about their connections to the past. The Texas Story Project is best for finding stories that you wouldn't find in textbooks, like family stories and Texas folklore, and are generally not written by professional historians. View the full Texas Story Project [here](#).

Assorted Resources

Watch videos or participate in an [interactive distance learning program](#).

New Top Ten lists will be added over time to round out the full scope of the Texas History curriculum, so keep returning to the [website](#) for updates.
